Mayor Simpson has returned from a visit to Buffalo and Nisgara Falls. He had of late been acting as watchman for a number of firms and doing such clerical work as he could secure. The deceased had been in failing health for have been born in a country where some time and Wednesday visited the livery stable, as he frequently had done before, to see Mr. Geary. White there be became exhausted, and after being given a glass of water laid down on the floor of the office and slept for several nours. He went away to his dinner but returned later in the evening. His death was from natural causes. Leonord was doorkeeper for several of the gambling houses that formerly flourished in Washington. Up until June last he was a watchmon at the Fish Commission building and afterward at Chevy Chase Ion. He was seventy-rix years old and was a pensioner, having, it seems have a pensioner, having, it seems have a pensioner of the case said be constructed in not causing him to have been born in a country where concentry in a country where in not causing him to have been born in a country where concentry there is a coordinate to have been born in a country where in not causing him to have been born in a country where coording the period the laps of those too lazy to climb them, was next made to face the court. He gaz do the meantime. He was charged by a sable female with threatening and abusive language and was fined \$2.50.

The last case called was that of a white man who was charged with striking a colored man. From the evidence it appeared that during a colloquy the darkey had impugned the variative of the defendant in very harsh language, which had precipitated the assault. The Mayor in summing up the case said be constructed from Richmond, Messra Park Agnew and Joseph L. The Superintendent reported that up to the present time 1,294 permits had been issued to white children-622 to boys and 672 to cirls; that the principal of Lee school had informed him that an excess of pupils had been assigned to some of the teachers of the lower grades. He asked if he must divide the pupils and make half day schools in these grades or would the board order another school. He stated that he could partially equip another school room but did not know whether the board was ready to go into the election of a teacher at present or let the matter lay over till the next meeting.

On motion of Mr. Carne the Superin-

tendent was authorized to open another school in Lee school and employ another teacher for one month, and report to the board.

Mr. Carne offered the following

which was adopted: Resolved, That the Superintendent of schools be requested to direct the teachers to allow the use of the old text books whenever practicable, and not to require pupils to buy new books where it is possible to make the old ones serve the purpose,

STRUCK BY A TRAIN.—William S. Clark, 28 years of age, son of Alderman T, W. Clark, of this city, is lying at the City Hospital, in Baltimore, with a broken back, a badly torn arm and several severe scalp wounds, as the result of being struck by a train. Mr. Clark went to Baltimore last Tuesday to search for work. He had tried for a day without success and on Wednessday without success and on Wednesday morning, feeling tired, he lay down to rest, as he thought, near a railroad track. He could give no account of how he was injured, but he must have how he was injured, but he must have been struck by a train. All the lower part of his body is paralyzed. The many friends and acquaintances of young Mr. Clark were grieved to hear of the accident which has bifallen him and they hope the first reports may prove to be exaggerated. He has a wife and one child in this city. His father left here last night for Baltimore upon receiving news of the accident.
